Civil No.08cv435 LAB (NLS)

**NOTICE AND ORDER SETTING  
TELEPHONIC EARLY NEUTRAL  
EVALUATION CONFERENCE WITH  
COUNSEL ONLY**

This case was reassigned from Magistrate Judge Bencivengo to Magistrate Judge Stormes pursuant to the low-number rule. Therefore, this Court **VACATES** the Early Neutral Evaluation set for before May 5, 2008 Judge Bencivengo. Further, this Court **SETS** a *telephonic* Early Neutral Evaluation of this case for **May 13, 2008 at 2:00 p.m.** before Judge Stormes. Only counsel or parties representing themselves shall appear. Plaintiffs' counsel is responsible to arrange the conference call.

**The following are mandatory guidelines for the parties preparing for the Early Neutral Evaluation Conference.**

1. **Purpose of Conference:** The purpose of the Early Neutral Evaluation Conference (“ENE”) is to permit an informal discussion between the attorneys, parties, and the settlement judge of every aspect of the lawsuit in an effort to achieve an early resolution of the case. All conference discussions will be informal, off the record, privileged and confidential. Counsel for any non-English

1 speaking parties is responsible for arranging for the appearance of an interpreter at the conference.

2       2.     **Confidential ENE Statements Required:** No later than three (3) court days prior to the  
 3 ENE, the parties shall submit confidential statements of five pages or less directly to the chambers of  
 4 Magistrate Judge Stormes outlining the nature of the case, the claims, and the defenses. These  
 5 statements shall not be filed or served on opposing counsel.

6       3.     **New Parties Must Be Notified by Plaintiff's Counsel:** Plaintiff's counsel shall give  
 7 notice of the ENE to parties responding to the complaint after the date of this notice.

8       4.     **Case Management Under the Amended Federal Rules:** In the event the case does not  
 9 settle at the ENE, the parties can expect to leave the ENE with Rule 26 compliance dates or deadlines.  
 10 Parties shall therefore be prepared to discuss the following matters at the conclusion of the ENE  
 11 conference:

- 12       a.     Any anticipated objections under Federal Rule of Civil Procedure 26(a)(1)(E) to  
 13                   the initial disclosure provisions of Federal Rule of Civil Procedure 26(a)(1)(A-D);
- 14       b.     The scheduling of the Federal Rule of Civil Procedure 26(f) conference within 24  
 15                   days following the ENE;
- 16       c.     The date of initial disclosure and the date for lodging the discovery plan within 14  
 17                   days following the Rule 26(f) conference; and,
- 18       d.     The scheduling of a Case Management Conference pursuant to Federal Rule of  
 19                   Civil Procedure 16(b) within 21 days following the Rule 26(f) conference.

20 The Court will issue an order following the ENE addressing these issues and setting dates as  
 21 appropriate.

22       5.     **Requests to Continue an ENE Conference:** Local Rule 16.1(c) requires that an ENE  
 23 take place within 45 days of the filing of the first answer. Requests to continue ENEs are rarely granted.  
 24 However, the Court will consider formal, written *ex parte* requests to continue an ENE conference when  
 25 extraordinary circumstances exist that make a continuance appropriate. In and of itself, having to travel  
 26 a long distance to appear in person is not "extraordinary." **Absent extraordinary circumstances,**  
 27 **requests for continuances will not be considered unless submitted in writing no less than seven (7)**  
 28 **days prior to the scheduled conference.**
